

NITK students earn OPJEMS Scholarship 2025-26

Mangaluru: Likith M and Anushka Mishra, undergraduate students from NITK, Surathkal, have been selected as recipients of the OP Jindal Engineering & Management Scholarship (OPJEMS) 2025-26, placing them among the finest young minds in the country from a highly competitive national pool.

The OPJEMS is one of India's premier merit-based scholarship programmes and invest in exceptional students from leading national institutions including the IITs, NITs, and IIMs.

At NITK Surathkal, nominations for the OPJEMS are made across all four years of undergraduate study, primarily from the top three rank holders in Civil, Mechanical, Electrical & Electronics, and Metallurgical Engineering. Of all nominees evaluated nationally, only the top 100 are conferred the OPJEMS distinction. Each award carries a cash prize of Rs 80,000, recognising their academic excellence. TNN
