The National Institute of Technology - Karnataka (NIT-K) (erstwhile Karnataka Regional Engineering College), Surathkal, celebrated the diamond jubilee of its 1965 BE students on Tuesday. In all, 18 alumni from various disciplines attended the event.

Lifelong valid alumni ID cards were distributed to the 1965 batch members present on the occasion, a release from NIT-K said.

Speaking on the occasion, B. Ravi, director,

NIT-K, asked the alumni to return to the campus, reconnect with former mentors and peers, relive cherished memories, and redefine their engagement with the institute.

He encouraged alumni to share their insights, innovative ideas, and suggestions and to engage in collaborative ventures, ensuring their contributions enrich NIT-K's ongoing initiatives and become part of the institution's enduring legacy.

N.R. Shetty, former Principal of KREC was also present.
