

Silver jubilee reunion of NITK 1999 BTech batch held

MANGALURU, DHNS: The 1999 BTech batch alumni of the National Institute of Technology Karnataka, Surathkal (then KREC) celebrated their silver jubilee reunion at the NITK campus in Surathkal. Over 95 alumni from eight departments attended the event.

The reunion was graced by the presence of the Deputy Director, functionaries, faculty, and staff of NITK, along with the alumni from the BTech class of 1999 who travelled from various parts of the world to participate.

The batch has expressed a keen interest in contributing to the infrastructural development projects at the campus, particularly the "NITK Mission Water +," aimed at addressing the water crisis in and

around NITK.

During the formal event, the alumni batch felicitated retired professors, Prof K R Kamath and Prof Appukuttan, and current faculty members, Prof Suman David, Prof M S Bhat, and Prof K V Gangadharan, expressing their gratitude and love for their esteemed teachers.

A notable aspect of the reunion was the participation of five women alumni. During their study period, the batch had only 10 women, making the attendance of five women alumni a significant highlight of the event.

Vasudev, Ravindra Gujral, Arvind Shroff, Rajasekhar G, Yuvraj G from the 99 batch were responsible for organising the reunion.
